SAFETY PROTOCOLS FOR IN-PERSON AUDITIONS

Hello everyone:

I hope you are all well and that 2022 has thus far been kind to you.

In light of the current situation with COVID-19 and the changes that the CDC has issued, the Union is comfortable conforming to the CDC guidelines regarding maintaining a safe distance. What this means is that more than two people may audition at the same time, being mindful of individual safety and any concerns a performer might have.

Please note that this revision should be combined with the Union's Safety Protocols for In-Person Auditions, a copy of which is attached for your reference. Additionally, please note that the on-set safety protocols are also still in place and any questions regarding vaccination status remain per those protocols.

As always, if you have any questions, please do not hesitate to contact Angie Ruiz in New York at 212.827.1544 or Sarah Rahimi in Los Angeles at 323.549.6858

Thank you.
